

CAMP ALBRECHT ACRES CAMPSHIP FINANCIAL AID GUIDELINES

Our financial aid, or 'campership' is derived from donations received from various sources. As our resources are limited, it would be appreciated if you would contact your local Department of Human Services office for information on funds available through them and/or any organizations, clubs, churches or groups who may want to sponsor your camper. CAA's full fee for the 2022 Summer Week camp is \$625 and Weekend camp is \$250.

If your camper does not receive agency funding and cannot afford the full camp fee, financial aid can be available through camp in the form of a campership. **Please attach your 2021 IRS 1040 form along with corresponding W-2s to complete the financial aid request.** If you claim your adult camper as a dependent on your tax return, please use your household income and documentation to file for financial aid.

Guidelines for requests:

- Every camper is responsible for paying \$200 of the summer camp fee.
- Assistance will cover the remaining balance for a residential week of camp.
- Weekend camps as well as respite camps throughout the year are not eligible for financial aid.
- Campers attending more than one session are not eligible for financial aid.
- Applications that are missing supporting documents or are incomplete are not eligible for financial aid.

Please complete the Campership Financial Aid application with attached 1040 and W-2 forms, and return it to the main office via email/mail/fax as soon as possible. If you are completing applications for more than one camper, please complete the form and attach documents for each camper.

Campership financial aid requests will be processed within 10-14 business days, and an email confirmation with acceptance or denial will be sent.
